## FEDERAL TRADE COMMISSION

### 16 CFR Chapter I

#### Regulatory Review Schedule

**AGENCY:** Federal Trade Commission.

**ACTION:** Notice of intent to request public comments.

**SUMMARY:** As part of its ongoing, systematic review of all Federal Trade Commission rules and guides, the Commission announces a modified ten-year regulatory review schedule. No Commission determination on the need for, or the substance of, the rules and guides listed below should be inferred from the notice of intent to publish requests for comments.

**DATES:** [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

**FOR FURTHER INFORMATION CONTACT:** Further details about particular rules or guides may be obtained from the contact person listed below for the rule or guide.

**SUPPLEMENTARY INFORMATION:** To ensure that its rules and industry guides remain relevant and are not unduly burdensome, the Commission reviews them on a ten-year schedule. Each year the Commission publishes its review schedule, with adjustments made in response to public input, changes in the marketplace, and resource demands.

When the Commission reviews a rule or guide, it publishes a document in the Federal Register seeking public comment on the continuing need for the rule or guide as well as the rule's or guide's costs and benefits to consumers and businesses. Based on this feedback, the Commission may modify or repeal the rule or guide to address public concerns or changed conditions, or to reduce undue regulatory burden.

The Commission posts information about its review schedule on its website, at <http://www.ftc.gov/enforcement/rules/rulemaking-regulatory-reform-proceedings>, to facilitate comment about rules and guides. This website provides links in one location to Federal Register documents requesting comments, and comments for rules and guides that are currently under review. The website also contains an updated review schedule, a list of rules and guides previously eliminated in the regulatory review process, and the Commission's regulatory review plan.
